

 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call the Fund Office at 877-284-2320 or see [www.scufcfunds.com](http://www.scufcfunds.com). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. Important Questions	Answers	Why This Matters:
<p>What is the overall <a href="#">deductible</a>?</p>	<p><a href="#">Network (PPO) Providers</a>: \$1,000 per person or \$2,000 per family. <a href="#">Out-of-network (Non-PPO) Providers</a>: \$1,200 per person or \$2,400 per family. <a href="#">Plan deductibles</a>, <a href="#">coinsurance</a>, and <a href="#">prescription drug copays</a> are payable from your Health Reimbursement Account (HRA).</p>	<p>Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a>, each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a>.</p>
<p>Are there services covered before you meet your <a href="#">deductible</a>?</p>	<p>Yes, certain <a href="#">preventive care</a> and most <a href="#">prescription drugs</a> are covered before you meet the <a href="#">deductible</a>.</p>	<p>This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount, but a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a>. See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>.</p>
<p>Are there other <a href="#">deductibles</a> for specific services?</p>	<p>No</p>	<p>You don't have to meet <a href="#">deductibles</a> for specific services.</p>
<p>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</p>	<p><a href="#">Medical out-of-pocket limit</a> (for services from <a href="#">network providers</a>): \$2,500 per person / \$5,000 per family.  <a href="#">Prescription drug out-of-pocket limit</a> (applicable to <a href="#">network prescription drug copays</a>): \$6,200 person / \$12,400 family.</p>	<p>The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a>, they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.</p>
<p>What is not included in the <a href="#">out-of-pocket limit</a>?</p>	<p><b>For the <a href="#">medical out-of-pocket limit</a></b> (applicable to <a href="#">network providers</a>): <a href="#">premiums</a>, <a href="#">balance billing</a> charges, health care this <a href="#">plan</a> doesn't cover, <a href="#">out-of-network coinsurance</a>, penalties for failure to obtain precertification or to participate in the disease management program, and <a href="#">prescription drugs</a> (except certain injectables).  <b>For the <a href="#">prescription drug out-of-pocket limit</a></b> (applicable to <a href="#">prescription drugs</a> obtained from <a href="#">network pharmacies</a>): expenses for non-<a href="#">formulary</a> drugs without a PBM-approved medical exception, most injectable drugs, <a href="#">premiums</a>, <a href="#">balance billing</a> charges, expenses for drugs obtained from out-of-network pharmacies, and health care this <a href="#">plan</a> doesn't cover.</p>	<p>Even though you pay these expenses, they do not count toward the <a href="#">out-of-pocket limit</a>.</p>

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. For <a href="#">network providers</a> , contact Anthem: 855-686-5613 or <a href="http://www.anthem.com/ca">www.anthem.com/ca</a> ; outside of California call 800-810-2583. For podiatry <a href="#">providers</a> , call Podiatry Plan of California at 800-367-7762 or <a href="http://www.podiatryplan.com">www.podiatryplan.com</a> . For mental health/substance abuse <a href="#">providers</a> , contact HMC HealthWorks EMAP: 800-461-9179 or <a href="https://hmc.personaladvantage.com">https://hmc.personaladvantage.com</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
