<sup>1</sup> If the total charges are expected to be more than \$500, we recommend that your dentist's proposed treatment plan be submitted to the Fund for review so that dental benefits can be preauthorized.

<sup>2</sup> Unused dental benefits, up to one half the annual benefit maximum, will carry over to the following calendar year. The maximum carryover for dental expenses in any given calendar year is \$1,000.

<sup>3</sup> Patients who obtain care through a network panel orthodontist are also responsible for the following expenses: initial consultation and treatment plan evaluation fees, the cost of diagnostic records in excess of the diagnostic benefit available (if any) under the Fund's Dental Program, the cost of replacing lost or broken appliance(s), fees for missed appointments or cancellations made without 24-hour notice, the cost of treatment obtained elsewhere should patient not cooperate with panel orthodontist, and the cost of treatment that extends past 30 months due to the patient's failure to cooperate with panel orthodontist. In addition, when treatment is provided in two phases for Children whose permanent teeth have not all appeared, there may be an additional charge for Phase II treatment that causes the total fee for both Phase I and Phase II Treatment to exceed the Maximum Allowed Amount of \$2,700 per Participant. If that happens, you are responsible for the additional expense. Call the Fund Office to locate a network panel orthodontist near you.

**VISION CARE (Indemnity PPO Medical Plan HRA funds cannot be used for vision expenses.)**

• Ages 0-18	Plan pays up to \$200 per child per calendar year. The \$200 annual benefit maximum does not apply to essential pediatric services such as vision screenings and exams. Any additional charges, including those for frames and lenses, are subject to the annual benefit maximum regardless of age.
• Ages 19 and up	Plan pays up to \$200 per person per calendar year for exam and materials <sup>1</sup>

**Important notes:**

- Vision benefits are automatically included with medical coverage at **no additional cost to you**. You may opt out by calling the Fund Office and completing the proper form. Dropping your vision coverage **will not reduce your weekly payroll deductions**.
- Payment for prescription lenses will be made only if no more than 12 months have elapsed between the date of the last vision examination and the date glasses or contact lenses are ordered, except when a lens change is required following eye surgery or other conditions.

If you suffer more than one of the losses listed below in the accident, the Fund will pay only for the loss for which the largest amount is payable. The total accidental death and dismemberment benefit, payable from all causes, may not exceed the maximum amount to which you are entitled based on your completed Years of Service.

Employee’s loss of the entire sight of one eye, or the loss of one hand or one foot.	50% of the applicable Employee Death Benefit
Employee’s loss of the entire sight of both eyes; or the loss of both hands or both feet; or the loss of one hand and one foot; or the loss of one hand or one foot together with the sight of one eye; or loss of life. <sup>5</sup>	100% of the applicable Employee Death Benefit

<sup>2</sup> Claim must be received or postmarked within one year of death or accidental dismemberment.

<sup>3</sup> If there is no eligible beneficiary, in lieu of the Active Employee Death Benefit, the Fund shall pay the person who presents evidence of payment of burial expenses for the Eligible Employee the amount of such expense, up to the maximum Burial Expense benefit. Eligible Burial Expenses include expenses of funeral home, embalming, or other preparation for burial; transportation to the gravesite; purchase of the gravesite; burial costs; burial service flowers; and cost of religious services. Pre-need burial costs paid for by the Eligible Employee are not included in the definition of Eligible Burial Expenses.

<sup>4</sup> Years of Service without a Break in Service of 12 consecutive months or longer with no work in Covered Employment. A Break in Service results in the loss of all prior Years of Service. Contact the Fund Office for types of absences that excuse a Break in Service.

<sup>5</sup> Where loss of life occurs, the 100% Accidental Death and Dismemberment Benefit is payable in addition to the Employee Death Benefit amount outlined above.
